Because nothing matters more ...

"It takes a team to raise a child, and that is especially true for sick and injured children. And that is why we are so grateful to have the 'Jump for the Children' as part of our team. For 40 years 'Jump for the Children' has brought the riding community together in the spirit of philanthropy, raising crucial dollars for children who need it most. If you have ever been a part of 'Jump for the Children' you are a part of that incredible legacy. Thank you to everyone at 'Jump for the Children,' we are grateful that you are a part of our Duke Children's family, and we are sending hearty congratulations for 40 amazing years!"
