From the Desk of ...
MACON

My name is Macon. I am 8 years old. I am writing you a letter today because Duke Children's gave me a future!

I have Loeys-Dietz syndrome. Most people have never heard of it, not even doctors. I'm really lucky that I go to Duke Children's because the doctors here know what I need to live a long, healthy life. No other hospital could help me as much as Duke Children's does.

My parents didn't know I had Loeys-Dietz syndrome for a long time. Then my dad got really sick and had to go to the hospital. He had a really bad problem with his heart and almost died.

We found out he has Loeys-Dietz syndrome and I do too. The heart doctors at Duke saved my dad. And my doctors told my mom that as long as I have the right tests and medicine, they can keep my heart safe.

People with my condition used to only live to be around 26 years old. But the doctors at Duke are doing research and learning new things about Loeys-Dietz syndrome so that kids like me can live a long time.

My parents told me that you like to help Duke Children's take better care of kids with all kinds of health conditions. I think that is really nice of you!

I like to help kids at the hospital too. Stuffed animals always help me feel safe. That's why I raised money with a lemonade stand to give stuffed animals to other kids in the hospital.

I have a lot of big dreams for the future. When I am older, I want to be a scientist who studies space. Thanks to people like you who help Duke Children's, I get to grow up and do all the things I want to do someday.

Your Friend,

Macon

P.S. Don't forget to send a gift to help more kids at Duke Children's! You are making our lives better. We really appreciate your help!

Join us for two great weeks of shows!

2023 JUMP FOR THE CHILDREN

USHJA Hunter Team Challenge

The USHJA Hunter Team Challenge offers a unique team experience for riders competing in the 2'-2'6" Children's Pony Hunters, 2'6" Low Child/Adult Hunters and 3' Children's/Adult Amateur Hunter divisions. Riders who participate in the Hunter Team Challenge have an opportunity to earn bonus Zone Horse of the Year Points in their respective divisions.

To participate, riders must pre-enter with the horse show on a first come, first served basis. Sixteen riders in each of the three sections (Children's Pony, Low Child/Adult and Children's/Adult Amateur) will be accepted for a total of 48 participating in the HTC.

What to Expect: The Hunter Team Challenge will take place over two competitive days with a rider meeting the day before Day One.

Entering Procedure: Riders will enter directly with host Horse Show. Sixteen riders in each of the three sections (Children's Pony, Low Child/Adult and Children's/Adult Amateur) for a total of 48 participants will be accepted on a first come first serve basis from the entry deadline.

Rider Meeting: riders attend to review rules, scoring and draw of teams.

Day One: HTC classes will run concurrently with the horse show's regular division classes as an overlay.

Day Two: Under saddle will be held at the start of Day Two. Each height section will have their own under saddle class: 3' Children's and Adult Amateur, 2'6" Low Child and Adult, and Children's Pony.

Final Round: Will be held immediately following the under saddle on Day 2. All teams will return for a final Classic-style over fences round.

The Final Round will receive Ribbons 1st-8th, and the highest scoring rider from the Final Round will receive a trophy.

Overall HTC team award presentations to follow the individual placings from the final classic round.

Scoring: Riders will receive a numerical score 0- 100 from the two over fences rounds in their regular division classes on Day One. On Day Two Riders will receive a numerical score from their respective under saddle classes. Individual's scores from those three classes will be added for an Overall score that is added to their Team's score.

Team scores are calculated by adding each team member's Overall scores. Four-member teams will drop their lowest Overall score. Three-member teams will drop their lowest Overall score and double their second lowest Overall score, to ensure all teams have the benefit of a dropped score.

All riders following the under saddle on Day 2 will return to the Final Round. Each rider will receive a numerical score 0-100 for their placing in the round. In the final classic round the highest scored rider from each Team will be doubled and added to the Final Team Score. All other scores will be dropped from the final classic round.

The Overall Team Champion is the team with the highest overall score from Day One, Day Two, and the Final Round.

For more information see: <https://www.ushja.org/competition/hunter/hunter-team-challenge>

SAFE SPORT

All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and Minor Athlete Abuse Prevention Policies, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the USEF Safe Sport Incident Reporting Form available on the USEF website. Concerns or suspicions regarding sexual misconduct must be reported to <https://safesport.i-sight.com/portal> and the authorities if a minor is involved. All of this information can be found in the USEF Safe Sport Policy.

Please take a moment to review the new USEF Safe Sport web pages on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!

The horses at Triangle Farms have benefited greatly from Mule City feeds. Paul Dunn has helped me with several horses that are hard keepers or have allergies to several ingredients commonly found in most feeds. Mule City will make a customized feed for these horses, under his direction. Delivery is always prompt. I appreciate Mule City's professionalism and the fact that the horses at Triangle Farms always look fantastic!
